

# GREATER CHICAGO JEWISH FESTIVAL

March 1, 2016

Dear Friends,

Plans are underway for the next Greater Chicago Jewish Festival. It is the largest Jewish cultural event in the Chicago area and one of the largest ongoing Jewish festivals in the country.

The Festival will be held on Sunday, June 5, 2016. The last Festival brought together thousands of participants for seven hours of continuous music, art, dance and food. A major reason for the tremendous success of the Festival has always been the support of co-sponsoring organizations like yours. Through the efforts of organizations we are able to publicize the Festival to the entire community.

As we prepare for this Festival we are again asking for your participation as a co-sponsoring organization. **As a co-sponsoring organization you are expected to:**

Publicize the Festival to your entire membership by mailing flyers and/or including our digital flyer as a jpg or pdf in your emailed newsletter or bulletin. We will email an electronic copy sometime during March, 2016 and if you request them, we will deliver paper flyers to your office sometime after April 1, 2016.

**In exchange for this help with the Festival, we will:**

1. List your organization in the Festival program;
2. Offer your organization information space at the Festival to publicize your work and interest new members. (There is an information space fee of \$100).

Be part of the event which expresses *the heart and soul of Jewish Chicago*. **Review the guidelines on the reverse side, complete the enclosed form and mail it as soon as possible.** Letters with confirming information will be sent after May 15, 2016. For further information visit our recently updated web site at [www.jewishfestival.org](http://www.jewishfestival.org) or call the Festival Hotline (847-933-3000) or email [FestOrganizations@gmail.com](mailto:FestOrganizations@gmail.com). Your participation will help to make the Festival a community event.

Sincerely,

Michael M. Lorge

Lisa R. Drucker
